## **FROM MY DESK ...**

We have had an action packed start to Term Four with already so many positive learning experiences. I had the absolute pleasure of attending camp last week with our 3-6 students and am so proud of the way they conducted themselves throughout the three days. Many activities required students to get out of their comfort zones including the giant swing and initiative course. All students participated willingly and conquered their nerves and fears! Thanks to the students of Lal Lal Primary School and staff Siobhan, Fiona and David for an entertaining 3 days together. Our students were able to develop some positive relationships with the Lal Lal students. A big thanks also to the staff from Angahook Holiday Camp who were so accommodating and friendly. Thanks to Christian for volunteering his time to drive us all to camp. Discussions have already begun for next year's camp!

Thanks to Mrs Evans, Janine and Michelle for their efforts throughout the 3 days also. I recognise and acknowledge the extra duties that are required when half of the school are off site. I appreciate you all!

## **WRITERS FESTIVAL @ SKIPTON P.S.**

Staff are looking forward to joining our school year level winners and their families tomorrow afternoon (**Thursday 17<sup>th</sup>**) at Skipton P.S commencing at 5pm. This is a wonderful opportunity to recognise the writing abilities of our students along with other local students. Light refreshments are available and all writing entries will be on display.

## **WALK TO SCHOOL**

Students are encouraged to walk, ride or scoot to school throughout October as part of the Walk to School initiative to promote physical activity and wellbeing. To further support this initiative, students will run/walk a lap of the oval each day for the remainder of October at the end of recess and lunch times. We will also be walking around the block on **Wednesday October 23<sup>rd</sup>** leaving the school grounds at 8:40am. We encourage families and community members to join us. Our walk will be followed by a Healthy Breakfast funded by the Corangamite Shire. Members of the Police force will then present a talk to our students at 10:00am.

## SUMMER SPORTS

On Monday we held our annual WPPSSA 3-6 Summer Sports. The weather was perfect and it was yet another fabulous opportunity for our students to connect with others beyond our school. Thanks to the parents, staff and students for assisting with the organisation and running of the day to ensure its success. Thanks to the Lismore Bowls Club for willingly teaching students the technique of bowls and allowing us the opportunity to use the fantastic facilities. Bowls is always a highlight for students from all schools. It's lovely to connect with the local community in such a positive way. Thanks also to the PFA team for organising, preparing and cooking the lunch orders for students and staff, delicious as always!

## MOUNT ELEPHANT VISIT

Tomorrow morning our students will visit Mount Elephant. We are very fortunate to visit the mount each year and to learn about its history and environment from the committee and Landcare groups. Students will travel on the Lismore Community Bus, enjoy a talk and walk and have their recess snack at the mount. Derrinallum students will also join us at the mount.

## BUSES

Please note there will be no school buses running on Monday 4<sup>th</sup> November.

Enjoy your week,  
Jess Kattwinkel

## YOUNG ACHIEVERS OF THE WEEK

**F-2 Class - Olivia for displaying fantastic throwing and catching skills during our cricket clinic. Well done!**

**3-6 Class - Georgia for her enthusiasm and willingness to try new tasks and challenges on camp. Awesome effort Georgia!**

### F-2 News

Last Thursday the F-2's were involved in a cricket clinic with Damon Williamson from the Melbourne Renegades. The students learnt how to bowl and practiced basic throwing and catching skills that they could use in a game of cricket. The students thoroughly enjoyed the session. If students are interested in playing cricket this summer, Derrinallum Cricket Club are offering programs for all age groups and abilities. ## 3-6 Angahook Camp Recounts

My favourite thing about camp was the nitro crossing and the giant swing but mostly the giant swing. The giant swing is 18 meters high.

**Kayleb**

On the first day my favourite thing was the photo trail. On the second day my favourite thing was the giant swing it was so fun.

**Lacey**

Our favourite thing on camp was the giant swing, it was 18 metres high. Breeana went right to the top and Georgia went half way so about 9 metres.

All the food was so delicious that we all wanted the recipes! We all loved Angahook Camp, the staff were great and we all want to go back again one day.

**Breeana and Georgia**

Angahook was really fun, my favourite part of the camp was the challenge swing. I went to the top both times. On the second time Chelsea was supposed to go 3,2,1, then pull the rope but she went 3 then pulled the rope. It surprised me!
