

Lismore Primary School Scoop

Our vision is to develop well rounded, confident and responsible individuals who aspire to achieve their full potential. We will do this by providing a welcoming, happy, safe and supportive learning environment in which everyone is equal and all achievements are celebrated.

Lismore Primary School would like to acknowledge the Wathaurong People, the Traditional Owners of the land on which we are gathered and pay our respects to their Elders-past and present and emerging.

FROM MY DESK

I hope you're managing to stay warm on what was the coldest start to a day for a long while. There was certainly plenty of ice on the drive to school this morning, so if you are travelling of a morning, please stay safe.

Thankfully the rain paused on Monday to allow us to take our school photos for 2022. As always, the students listened and cooperated which meant we were finished just in time to beat the next downpour of rain just as the final outdoor photo was finished. We hope to have the photos back in fairly quick time.

Congratulations to the students who have been noticed for their display of our school values.

Respect: Bree G. Bree shows respect for our yard by regularly picking up rubbish that isn't hers.

Responsibility: Lacey G. Lacey was a responsible leader of her reciprocal reading group, modelling fantastic behaviours and engagement.

Persistence: Tyler G. Tyler has displayed wonderful persistence with improving his understanding of negative numbers in Maths.

Excellence: Eliza K. Eliza experimented with features of Microsoft Word and was then able to teach other students how to use the program.

Have a great week

PREMIERS' READING CHALLENGE

It is brilliant to see on the dashboard that we have had an extra 26 books finished in the last week. Please keep adding your completed books to the Premier Reading Challenge page. Books being read in class are also added to the students' accounts.

GROUND WORKS – THURSDAY

Tomorrow when students arrive, they will need to enter through the bus driveway as our front path is being upgraded. The old asphalt will be removed and replaced by concrete. We hope this will provide a smoother and safer entrance-way to our school. Thankfully, the garden beds (which will be filled once the weather warms up) don't need to be moved during this process. I will let students know on Thursday if they will also need to enter via the driveway on Friday.

EXCURSION

We are excited at the late opportunity to head to Birregurra next Monday for a performance by JUNKLANDIA. The musical/comedy act will fit wonderfully with our sustainability and 'impact as consumers' focus, as all of their instruments are made from recycled materials. Who knows what inspiration may come from the day! Thanks for the prompt return of notes.

GAME ON RECYCLING

We're proudly working with Game On Recycling to responsibly dispose of our end-of-life sporting equipment. Our school community is invited to bring in any damaged, old and unwanted sporting balls and rackets to our sports waste collection box for free recycling. These items will be posted to a Melbourne recycler where they will be sorted for either reuse in the community or recycling. Recycled items will be granulated and used in the re-manufacture of new products. This is an initiative of our JSC, and we will be sorting through and posting old and damaged equipment from our sports shed.

UPDATED COVID ADVICE

The Victorian government has updated its advice about public health measures to help reduce the spread of COVID-19. Please see the attached letter from the Department of Education regarding face masks. If you have any questions or concerns, please let me know. If you need additional masks, please also let me know, as we have a supply at school.
