

Lismore Primary School Scoop

Our vision is to develop well rounded, confident and responsible individuals who aspire to achieve their full potential. We will do this by providing a welcoming, happy, safe and supportive learning environment in which everyone is equal and all achievements are celebrated.

Lismore Primary School would like to acknowledge the Wathaurong People, the Traditional Owners of the land on which we are gathered and pay our respects to their Elders-past and present and emerging.

FROM MY DESK

I hope that you are all enjoying a relaxing day off together and making the most of the nice day we have. With the forecast the way it is it's lucky that we have today off and not tomorrow. On that note, I have spoken to Linton and been assured that there is an indoor space to complete the Tabloid Sports should the weather not be in our favour. I'm quite excited about the uncertainty of the events tomorrow. Many students have been asking me what they will actually be doing, and all I can give them is the name of some of the events, because a lot of them I can't even decipher what they will actually be required to do. I think that adds to the fun of it all, and from what I'm gauging from the students, so do they.

As we head towards the end of any term, it is quite common for students to begin to switch off as they tire and think forward to the upcoming holidays. I can say with honesty and gratitude that that is absolutely not the case here at LPS. Staff and students are still working incredibly hard and continuing to treat each other with the respect and kindness that we are so proud of here at the school. We are currently in the process of updating some of our transition documentation, and as part of this, yesterday I asked every student their favourite thing about LPS. Whilst I was extremely happy with the variety of responses I received, there was definitely a common theme around the way people treat each other here. That's something we should all be proud of.

Congratulations to the following students who have been noticed displaying our school values over the past week.

Respect: Tyler D: Tyler always takes the time to ask staff how they are when he greets us in the morning. He also wished us a good weekend last Friday.

Responsibility: Eliza: Eliza takes great care of our equipment and regularly helps pack up equipment that she hasn't been using.

Persistence: Corey: For his hard work in writing, particularly his focus on his letter formation and reading over his own work.

Excellence: Jess: For her efforts in writing. Jess always completes her best work, often going above and beyond, as she did in our writing task on Friday.

Have a great week 😊
Brad Whittaker

TABLOID SPORTS

A reminder that students will need to be at school at 8.30am tomorrow so that we can depart by 8.45am to travel to Linton. Lunch is supplied, but we do recommend students still bringing some food for a snack break. Please pack a coat in honour of the weather forecast. Parents are welcome to join us at the Linton Recreation Reserve to watch the events.

PARENT OPINION SURVEY AFTERNOON

We look forward to seeing families tomorrow afternoon to complete the Parent Opinion Survey. We will have devices and food in the Health and Wellbeing room from 3.30-4.30 to give you the opportunity to complete the parent opinion survey. This isn't compulsory, nor is it meant to feel like an arduous task, but we value your opinion and want to make it as easy as possible for you to complete. If you are unable to come tomorrow but would still like to complete the survey, please refer to the Seesaw announcement from Tuesday for details.

FRONT GARDEN BEDS

Now that we are heading towards the warmer months, we will look to finally fill the garden beds at our front path. Alicia from the Lismore Landcare Group is coming to school next Thursday afternoon to present some ideas to our students, to allow them to have a say in what is planted at the front of their school. The aim is to then begin planting during the early part of Term 4. As we have the Woolworths Grant to support this project, we also expect to have some money to be able to purchase some plants for the community garden.

ASSEMBLY

A reminder that assembly will be held on Friday afternoon this week.

F-3 LIBRARY ACTIVITY

F-3 students created some very cool crocodiles for Book Week after reading a book about these amazing reptiles.

We love our Japanese classes!

ONE LINERS!

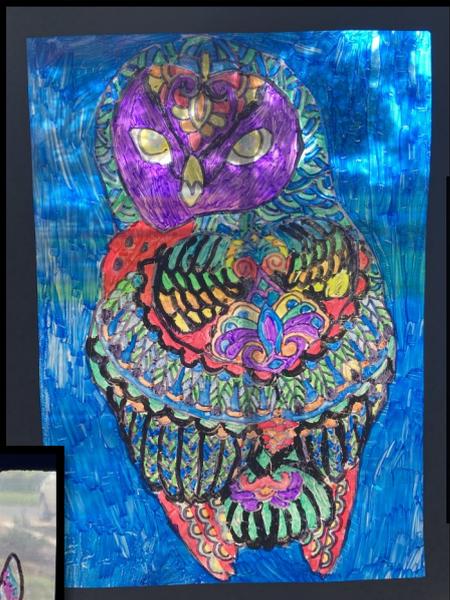

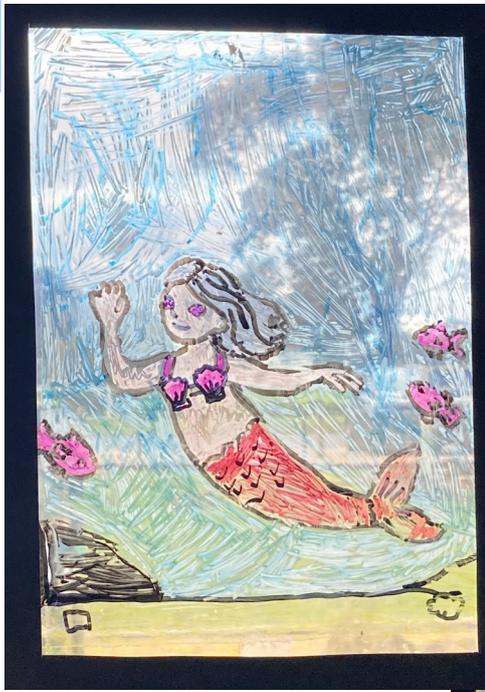

F-3 The F-3 students have enjoyed sharing and making connections with different texts over the last week.

3-6 The 3-6 students are excited about putting the final touches on their LPS Pots n' Plants business.

Respect Responsibility Excellence Persistence

SCIENCE WEEK

Our students created some absolutely amazing stained glass windows for the theme of 'Glass' in Science Week. They have really brightened up our classrooms.

YOUNG ACHIEVERS OF THE WEEK

F-3 Class Peyton for showing persistence and excellence while using technology. Peyton has been displaying good technology skills when using Microsoft Word to publish different writing pieces. Keep it up Peyton!

3-6 Class Jackson for the persistence and determination he showed in catching up on work he had missed after returning from his holiday.

Respect Responsibility Excellence Persistence
