

# Lismore Primary School Scoop

Our vision is to develop well rounded, confident and responsible individuals who aspire to achieve their full potential. We will do this by providing a welcoming, happy, safe and supportive learning environment in which everyone is equal and all achievements are celebrated.

Lismore Primary School would like to acknowledge the Wathaurong People, the Traditional Owners of the land on which we are gathered and pay our respects to their Elders-past and present and emerging.

## FROM MY DESK

What an exciting week this is for our Grade 3-6 students who head off on camp today for the first time since 2019. We will be travelling to Anglesea where we will stay for two nights, but not before we visit Livewire Park in Lorne on the way. Camp is such a wonderful opportunity for building confidence, independence, resilience and stronger relationships with peers. It makes me genuinely happy to know that we can finally provide this opportunity to our students again. We'll be sure to share plenty of photos and some written recounts on next week's newsletter.

Friday night's trivia night was a brilliant night! The night had been wonderfully organised which contributed to a great vibe in the room. Again, it's just fantastic to be able to run events like this again. Please see below where I have thanked just some of the amazing people who contributed to the night.

I do also have something on a personal level to share with the community this week. My wife Darcie and I are very excited to be expecting our first child in April. As we've so far discovered it's a wonderful time when you're expecting, and no doubt the hard work will be to come, but nonetheless we both cannot wait for this chapter of our lives.

Have a great week  
Brad Whittaker

## TRIVIA NIGHT

A huge thank you to everyone that support the Lismore Primary School Trivia Night on Friday night. It was a wonderful night full of laughs, prizes and learning about who the most competitive people in our community are. To everyone who sponsored the event with prizes, we thank you very much for your kind donation. Finally, a huge thank you to our amazing PFA members who made this night happen. The amount of voluntary time put into the night was incredible. Thank you, thank you, thank you!

## 2023 ENROLMENTS AND TRANSITION

A reminder to those who are yet to enrol their 2023 Foundation student that we would appreciate these being returned ASAP. Information about transition dates are included in the welcome pack which is given out upon the enrolment forms being returned. If you know of someone who is considering LPS for their child's education, please encourage them to contact that school and we can organise a tour.

## TOMATO PLANTS

Melbourne Cup Day isn't about a horse race, it's PLANT YOUR TOMATOES DAY!!

Our Grade 4-6 entrepreneurs have built their own business, Plants 'N' Pots! They have been busy growing beautiful, healthy tomato seedlings for you to grow your own yummy home-grown tomatoes.

Plants are mixed varieties and are a bargain at \$5ea. A limited number are also available for purchase in hand-painted terracotta pots for \$7.

Available for purchase now from

<https://daintree.firstpivot.com.au/shops/187565/shop>

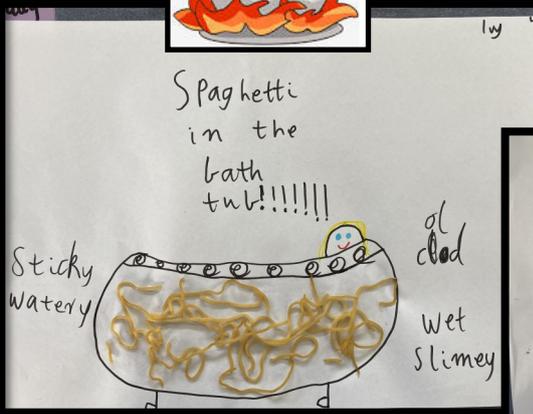

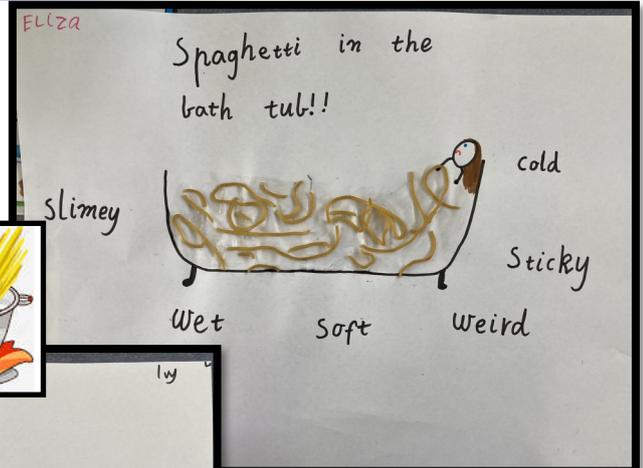

Seedlings will be available for collection from the school between 3.30-4.00pm on Friday 21st October. Alternatively, text Jess on 0448537700.

## BBQ LUNCH

Next Thursday we will be hosting the WPPSA Summer Sports for Grades 3-6 students. There will be a BBQ lunch available on the day for all students, not just those in Grades 3-6. Sausages will be \$2.50 and hamburgers \$4. Thank you to the PFA who will be organising and cooking the lunch.

## F-3 NEWS

The F-3 class are investigating chemical sciences and how changes are happening all around us. We are observing and predicting how changes can happen and if these changes are reversible or not. We are exploring how heating, cooling and cooking food can change its properties.

## ONE LINERS!

**F-3** The F-3 students have had a great start to term and especially enjoyed the Inquiry.

**3-6** The 3-6 students have settled back into school life with ease. It's lovely to see such happy and excited students. They are especially looking forward to camp!

*Respect Responsibility Excellence Persistence*

Through our entrepreneurship program, students repotted our tomato plants and planted veg-ies in the community garden. Students will maintain these until they are ready to eat. The students are excited to reinvest some of the money from the tomato plants in to more plants to continue their business.

**Entrepreneurship Program**

**YOUNG ACHIEVERS OF THE WEEK**

**F-3 Class** Oliver for being an enthusiastic and focused learner who listens carefully to instructions and always tries his best. Great work and attitude Oli.

**3-6 Class** Jackson for his enthusiasm and attention to detail when writing his poems. Well done Jackson!

*Respect Responsibility Excellence Persistence*

 to welcoming you.*

## VICTORIAN ELECTION JOB VACANCIES

Lismore Primary School will be a Voting Centre on Election Day, 26 November 2022 and the Victorian Electoral Commission is recruiting.

Working at elections is a great way to contribute to democracy in Victoria. Election staff enjoy great pay rates, training and a unique working experience. We welcome all applications. You don't need experience to be considered for an election casual role.

You will need to show evidence of your coronavirus (COVID-19) vaccination status when starting in an election role. You will need to have received 2 doses of a coronavirus (COVID-19) vaccine to work in a role with us for 4 weeks or less, and 3 doses to work with us for a longer duration.

To register, go to the VEC website  
<https://www.vec.vic.gov.au/work-with-us/work-at-elections>
