

# Lismore Primary School Scoop

*Our vision is to develop well rounded, confident and responsible individuals who aspire to achieve their full potential. We will do this by providing a welcoming, happy, safe and supportive learning environment in which everyone is equal and all achievements are celebrated.*

*Lismore Primary School would like to acknowledge the Wathaurong People, the Traditional Owners of the land on which we are gathered and pay our respects to their Elders-past and present and emerging.*

## FROM MY DESK

After such a busy start to the term I hope our students and families are looking forward to a relaxing 4-day weekend coming up. This is a great opportunity for the students to recharge their batteries before we begin our assessments and move into the final stages of the school year.

As I write this, our wonderful students are helping make the front of our school look amazing by planting in our front garden beds. The weather forecast isn't exactly on our side for finding days to plant, so today it is! Please feel free to come by and have a look. There will also be more vegetables planted in our community garden.

I hope you have a great extra-long weekend!

Congratulations to the following students who have been noticed displaying our school values in the last week.

**Respect:** Peyton—For the mature way she approached writing during transition.

**Responsibility:** Stella—For the way she is approaching all of her learning tasks.

**Persistence:** Tyler G—For his editing on his camp recount.

**Excellence:** Lacey—Lacey has been working brilliant on all learning tasks.

Have a great week 😊

Brad Whittaker

## SCHOOL ATHLETICS

We have locked in a date for this term for our Lismore Primary School house athletics. This will be held on Friday the 2<sup>nd</sup> of December. We will host the athletics at school. More details will be sent out as we have them.

## SWIMMING 2023

I have been able to lock in our swimming program for 2023. The program will run very similarly to this year where we will travel to Ballarat 2 days a week for 3 weeks in Term 1 and complete both a swimming and a gymnastics lesson whilst we are there. We had great feedback about this year's program, so I'm very happy we're able to offer a similar program again.

## REMEMBRANCE DAY

We are honoured to have been asked to be involved in the Remembrance Day ceremony at the Lismore Cenotaph. We will have some students completing multiple readings and laying a wreath. Students will assemble at approximately 10.30am. We welcome any families who would like to join us in paying their respects on this special day.

## TRANSITION

We had a wonderful morning this morning welcoming our 2023 Foundation students in for their first transition session. This is such an exciting time for these students and their families, and we are grateful for the opportunity to help them begin their school journey.

## TOMATO PLANTS

Thank you to many of our students and families who took our unsold tomato plants from the students' Lismore Pots n Plants business to the supermarket on Saturday and sold the remaining plants. This is very exciting for the students as they can now decide how to best spend or reinvest the money. We'll be sure to keep you updated.

## ANGLESEA CAMP RECOUNTS

On Wednesday the 12<sup>th</sup> of October the 3-6 Lismore students departed school to go to Live Wire Park. It took an hour and a half to get to Live Wire Park. Then we arrived at Camp Wilkin. The staff then introduced us to our cabins and then we went to the bushranger session. Later after the bushranger session we went to the gamers room. There were two pool tables, two foosball tables and air hockey. One hour and fifty minutes later we had our dinner. After dinner we watched Monsters' University. The next day we had a beautiful breakfast. After that we went to a fun zip line, we all got three goes each. Next, we went to the rock wall and we had a harness on for safety. After that we went to a low course, that was fun! And then what most of us were looking forward to, we went to archery. Later we packed our room up and then headed back to school.

Camp was fun. I am looking forward to next year's camp already!

On Wednesdays the 12<sup>th</sup> of October I went on camp with my class. First, we went to Live Wire Park and then we got to Camp Wilkin. Next, the camp owner told us the rules then we went to our cabin and unpacked. Later we had a bush ranger session and we learnt about nature. Then we went to the games room and played games because it was raining. Later we had dinner and after dinner we watched Monsters University. On Thursday we had an Aquamarine session and after it we had free time in the games room. I played air hockey. For dinner we had a palmy. It was delicious! Later we watched Penguins of Madagascar and after the movie we went back to our cabin and went to sleep. On Friday we got into our clothes and went to the zipline. After the zipline we went to the climbing wall. I couldn't do it because I was afraid of heights so I went to the mini course instead. At the mini course there were lots of low ropes. After that I went to archery. It was fun. Then we went back to school on the bus.

Camp was so much fun and I can't wait until next year.

By Paul

On Wednesday the 12<sup>th</sup> of October FINALLY it was camp. Firstly we went to Live Wire Park, it was so much fun but we only could go on the short circuit. After that we went to the camp and unpacked the bus and someone explained the rules. Then we went to cabin set up. Soon after we had our bush ranger session and went on a walk and saw some kangaroos on the oval. After that we had a session inside about animals and how foxes are an introduced species. We had free time and me and Tyler played pool. Next we had dinner which was scrumdiddleumptous. Then we went back to the cabin and got ready for the movie which was Monsters University. Later we got ready for bed. The next day we had our aqua marine session, we played a game with some rope. We also passed some bones of different sea animals around. Later on we had free time in the games room. Angus and I played foosball against Lacey and Georgia and won.

By Jackson

On Wednesday 12<sup>th</sup> October my class went to Camp Wilkin. Firstly we travelled on the bus to Live Wire Park. We went on the ziplines and we went on the trampolines, there was a ballpit and it was so much fun. We went to camp and we listened to the induction. We had a bush ranger talk to us. We went outside, we walked around and we found some sour grass and we saw kangaroo's. We went to the games room. I played ping pong and it was fun.

On day two we had an Aquamarine session. We found that you don't hear the sea from sea shell's. We went to the games room and I played ping pong and pool. We had free time. We watched Madagascar. Me, Eden and Blake were sitting together. We also had snack's!

On day three we went on the flying fox. We had a helmet and a harness and we got three goes and we had someone that ran us back on the harness. We went on the rock wall, it was so hard! So we went on the mini course and it was fun!

By Ashlie

## ONE LINERS!

**F-3** The students have really enjoyed the maths games at the beginning of each maths lesson.

**3-6** The 3-6 students are very excited about the construction phase in STEM!

*Respect Responsibility Excellence Persistence*

# SUMMER SPORTS

Lismore Primary hosted the Summer Sports last Thursday with 3-6 students from Derrinallum, Skipton and Rokewood attending. We were lucky that the rain held off and everyone had a great day. Thanks to our wonderful PFA for organising and cook-

## YOUNG ACHIEVERS OF THE WEEK

**F-3 Class** Ava for fabulous work in Sounds Write. You listen to the instructions and always try your very best.

**3-6 Class** Tyler D. for his wonderful poem 'My Farm'. What a clever idea. Well done! It is great to see you excited about writing and presenting your work!

*Respect Responsibility Excellence Persistence*

## School Dates to Remember

Wednesday 26th October	Kinder transition day / 9.15—10.15 am
Monday 31st October	Staff Curriculum Day / <b>NO SCHOOL</b>
Tuesday 1st November	Melbourne Cup Holiday / <b>NO SCHOOL</b>
Wednesday 9th November	Kinder transition day / 10.00 -11.30 am
Wednesday 16th November	Staff Professional Practice Day/ <b>NO SCHOOL</b>
Wednesday 23rd November	Kinder transition day 9.15am - 1.30 pm
Thursday 24th November	School Council meeting
Friday 2nd December	Lismore PS House Athletics
Wednesday 7th December	Grade 6 Graduation Dinner
Wednesday 14th December	End Of Year BBQ Break-Up
Tuesday 20th December	Last day of Term 4

### My Farm

My fish doesn't belong on your dish.  
My dog was lost in the fog.  
My cat was so very fat.  
My mouse really needs a house.  
My bunny is super funny.  
My frog is such a hog.  
My bird is a nerd.  
My quokka plays lots of soccer.  
My horse always needs sauce.  
My chooks sit out side and reads books.  
My bull is so full.  
My sheep, sheep went beep, beep.
