

Lismore Primary School Scoop

Our vision is to develop well rounded, confident and responsible individuals who aspire to achieve their full potential. We will do this by providing a welcoming, happy, safe and supportive learning environment in which everyone is equal and all achievements are celebrated.

Lismore Primary School would like to acknowledge the Wathaurong People, the Traditional Owners of the land on which we are gathered and pay our respects to their Elders-past and present and emerging.

FROM MY DESK

We have officially passed the halfway point of Term 3. The first half of the term has flown, and with everything we have planned for the second half of term, I have no doubt it will fly by as well.

If ever there was going to be a day where we have some tired students at school, I would expect that may be tomorrow. I'm sure many of you will be watching the Matildas in the semi-final, and if it's anything like the quarter-final we may be in for a late night.

Congratulations to the following students who have been recognised for displaying our school values in the past week.

Respect: Noah: For always playing fairly with others and following rules of games.

Responsibility: Breeanna: For redoing her writing task after a technical error.

Persistence: Abigail: For her persistence during our fractions unit.

Excellence: All students: For the brilliant work they put in for our open morning.

Have a great week

Brad Whittaker

FAVOURITE RECIPES

The PFA are doing a wonderful job and developing a recipe book which will be sold as a fundraiser for the school.

For this to happen we want your favourite recipes to include. Bonus points for family secret recipes! If you have a recipe you would be happy to have included in the book, please drop a copy of it to the school or the Blue Yabby by August the 25th.

OPEN MORNING

Thank you to everyone who joined us yesterday for our open morning to celebrate National Science Week. I loved walking around and seeing the smiles on faces and hearing the students describe what was happening during the experiments. We have plenty of photos in today's newsletter, so please enjoy! I must admit we were a bit panicked on Monday as we had no internet and therefore no photocopying or printing, so we were worried the open morning wouldn't have everything we had planned. Thankfully this was sorted on Monday evening and things were able to run as smoothly as they did.

BOOK WEEK DRESS UP

A reminder that next Wednesday is our Book Week dress up day. I have heard whispers of the planned staff costumes and am wondering if they can be outdone by the students. We will have a short parade of costumes during our assembly that afternoon, so please join us from 3.20pm to see what everyone has come dressed up as.

FOOTBALL CLINIC

On Friday, both classes will participate in a one-hour football clinic run by AFL Victoria. A friendly reminder to wear appropriate footwear for the day.

SCIENCE WEEK OPEN MORNING

For Science Week Open Morning we did experiments like a lemon volcano, investigating solids and making lava lamps. Thanks to all the parents and grandparents for coming.

ONE LINERS!

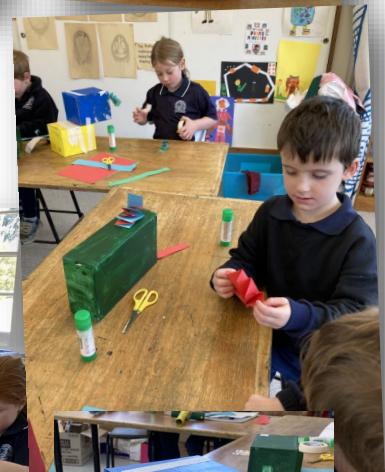

F-6 Our Science Open Morning was fantastic! It was great to see the students engaging with visitors by explaining their science experiments.

THIS WEEK IN ART WITH MRS K.C

The 3-6 students made very interesting play-dough characters for animation stories they will be putting together and the F-2 students were getting very creative making anything they wish out of boxes and paper.

**YOUNG ACHIEVERS
OF THE WEEK**

F-2 Class Sammy for explaining in detail the science experiments to our visitors on Open Morning. Good job Sammy!

3-6 Class Tyler D. for his fantastic effort when expanding the topic writing. Well done Tyler!
