

# Lismore Primary School Scoop

*Our vision is to develop well rounded, confident and responsible individuals who aspire to achieve their full potential. We will do this by providing a welcoming, happy, safe and supportive learning environment in which everyone is equal and all achievements are celebrated.*

*Lismore Primary School would like to acknowledge the Wathaurong People, the Traditional Owners of the land on which we are gathered and pay our respects to their Elders-past and present and emerging.*

## FROM MY DESK

We have done so much since the last edition of the newsletter! On Thursday our F-2 class visited the local kinder to spend some time with the students, we had a footy clinic on Friday, yesterday we travelled to Sovereign Hill in Ballarat as part of Book Week, and today everyone looks incredible in their costumes to celebrate Book Week. The students seemed to have really enjoyed the variety of activities across the past week, and it's as though the weather gods have been on our side as rainy conditions have cleared in time for these activities to begin.

A last-minute reminder that we will be parading our costumes at assembly this afternoon. The effort people have gone to is truly outstanding. If you can arrive slightly early to pick up your child so you can join us, I have no doubt you will also be very impressed.

Congratulations to the following students who have been recognised for displaying our school values in the past week.

**Respect:** Angus: For the manners he has shown in offering to help others, let others go first, or lending things to them to assist.

**Responsibility:** Chloe: For learning to cope with challenges during games.

**Persistence:** 3-6 students: For their effort in writing last week when working towards their self-chosen learning goals.

**Excellence:** Cooper: For his all-around wonderful attitude in all areas of his learning.

Have a great week 😊

## FAVOURITE RECIPES

A final reminder to please send any of your favourite recipes to the school or the Blue Yabby by this Friday afternoon. This is a wonderful idea by our PFA and is only possible with community support. We are more than happy to photocopy your recipes here at school if you need.

## MATHS COP

Last week I travelled to Hamilton for our last face-to-face Maths Community of Practice meeting. This was a valuable opportunity for me to reflect on the assessments we use here at the school and provided some useful tools for us to use to guide small group intervention. It has been really pleasing to see the growth in Maths this year, and we are excited about what we will continue to see in our assessments throughout the remainder of the year.

## INQUIRY CYCLE

Staff have spent time closely analysing and moderating student writing samples, and from this work we have developed an inquiry cycle on punctuation for the remainder of the term. This means that many of the lessons planned and taught will have a focus on different forms of punctuation and how/where to accurately apply these in writing. We look forward to measuring the success of our SMART goal and then re-evaluating.

## MASTER PLANNING

The master planning process for our school upgrades from the recent announcement of government funding has begun. This is stage 2 of the process and will take approximately ten weeks.
