

Lismore Primary School Scoop

Our vision is to develop well rounded, confident and responsible individuals who aspire to achieve their full potential. We will do this by providing a welcoming, happy, safe and supportive learning environment in which everyone is equal and all achievements are celebrated.

Lismore Primary School would like to acknowledge the Wathaurong People, the Traditional Owners of the land on which we are gathered and pay our respects to their Elders-past and present and emerging.

FROM MY DESK

After a very very busy last couple of weeks the students have a couple of uninterrupted weeks of learning ahead. The students had a wonderful surprise yesterday when Mrs Evans joined us for the day. She spent the day in the F-2 class as part of her transition back to work for the beginning of Term 4. We had some very excited students (and staff) seeing Narelle back. Narelle will also be back in the last week of term to cover a couple of days of Mrs Johnstone's long service leave.

Congratulations to the following students who have been recognised for displaying our school values in the past week.

Responsibility: Jackson & Tyler: For the way they have been working collaboratively during Maths lessons.

Persistence: Eden: For her attitude and approach to her learning, particularly in Maths recently.

Excellence: Stella: For her work in Reading where Stella has been responding to questions about a text and using evidence.

Have a great week

Brad Whittaker

FAVOURITE RECIPES

Thanks to everyone who has dropped in their favourite recipes to be included in our recipe book fundraiser. We have extended the date for submission, so if you would like to have your recipes included in the book, please bring them to the school or to the Blue Yabby.

ATHLETICS

Good luck to Tyler G, Jackson and Ivy who will all be competing at the Eureka Athletics in Ballarat next Tuesday. We wish them well in their events and know they'll come away having done their personal best.

STAFFING

Congratulations to Mrs Johnstone who was the successful candidate for the recently advertised position for Term 4. Liz will be continuing to teach in the F-2 classroom on a Monday-Wednesday and will do some small group intervention and other work on a Thursday. Mrs Evans will be teaching the F-2 class on a Thursday and Friday upon her return in Term 4.

RESTUMPING

School Council has approved a quote to have our art room and two other small patches in the passageway restumped. This is essential work and will remove the obvious fall in the art room as you walk through it. We are hopeful that the works will be completed by the end of the upcoming school holidays.

PARENT TEACHER CONFERENCES

A reminder for families to please continue to contact their child's teacher to book your times for our parent teacher conferences next Monday and Tuesday evenings.

PARENT OPINION SURVEY

Thank you to the families who have so far completed the Parent Opinion Survey. This is really valuable data for us to understand how we are performing and will help us achieve long term targets outlined in the School Strategic Plan.

F-2 News

Over the past two weeks, the F-2 class have visited the kinder and hosted the kinder kids at school. This has been the beginning of our transition program. The school kids enjoyed revisiting the kinder to enjoy their favourite activities and loved showing off our classroom and school when they visited us. We had stories, made masks, played on the playground and shared books. We all had fun.

Brother Fox (Deakin)

Dan Petro is a behaviour analyst and director of Behavioural Resources Australia Pty Ltd. Dan's work in over 200 Australian schools and organisations has shown him to be an engaging and popular presenter. His academic background includes degrees in both behavioural science and counselling psychology, and his professional work uses content from materials he developed as an adjunct faculty member at universities in California. Dan has trained hundreds of parents of both typical children and children with additional needs. Attending one of his workshops is a comfortable way to discover (or rediscover) those straightforward, effective parenting practices that can make a significant difference for everyone.
