

Lismore Primary School Scoop

Our vision is to develop well rounded, confident and responsible individuals who aspire to achieve their full potential. We will do this by providing a welcoming, happy, safe and supportive learning environment in which everyone is equal and all achievements are celebrated.

Lismore Primary School would like to acknowledge the Wathaurong People, the Traditional Owners of the land on which we are gathered and pay our respects to their Elders-past and present and emerging.

FROM MY DESK

We have reached the final week of term. At the beginning of term, I thought it was a relatively quiet term, but now that we are nearing the end, and upon reflection, we have fit a lot into the 10 weeks. The learning in the classroom has been very consistent, but in and around that we have managed to fit in multiple sports days, tree planting, Book Week celebrations and excursion and Science Week amongst other things.

Looking at our Term 4 calendar, things won't be slowing down! We have a fairly quiet first few weeks of term but have a very full schedule after that. Term 4 is always a great time of year and we hope this year will be no exception and students will enjoy the many opportunities they will be provided.

Congratulations to the following students who have been seen displaying our school values in the past week.

Respect: All students: For using our 'Things I can say when...' and congratulating others after they won a game last week.

Responsibility: Tyler D, Tyler G and Angus: For assisting another student who had hurt themselves.

Persistence: Breeanna, Ivy, Peyton, Eden & Ashlie: For their work in editing their writing last week to develop their ideas further and add interest for the reader.

Excellence: Harry: For his improvement in writing over the past couple of weeks. Harry has been trying really hard to achieve his goals and take on feedback from his teacher.

Have a great week 😊
Brad Whittaker

TERM 4 TUTORING

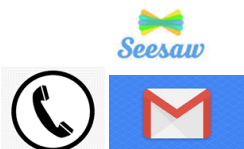

As part of her role next term, Mrs Johnstone will be tutoring select students over 2-4 sessions per week. Mrs Johnstone will still teach the F-2 class on a Monday-Wednesday, but will fit some tutoring into this time, as well as tutoring on a Thursday. Mrs Evans will be returning to teach the F-2 class for the Thursday and Friday.

THINGS I CAN SAY WHEN...

Last week during our Buddies session we introduced some language that students could use during games. The statements fit into 4 different categories; Things I can say when I win, when I lose, when someone else wins, when someone else loses. The idea of this is to teach our students how to show respect when they win and when they don't. This is a valuable skill that can be overlooked as we as adults can take for granted that we understand sportsmanship. If you would like to support this work at home, I am happy to print a copy of the document and send it home for you to use during any family activities.

YARD DOJOS

Something else that was introduced last week was the ability for students to earn Dojo points whilst in the yard. We are encouraging students to let the teachers know when they see another student displaying one of our school values, for which they will then receive Dojo points.

Respect Responsibility Excellence Persistence

F-2 The F-2 students have enjoyed role playing in Respectful Relationships.

3-6 The 3-6 students have done a fantastic job of including an assortment of punctuation in their writing assessments. Well done!

Respect Responsibility Excellence Persistence

Thankyou to Dot Halloran for shouting us all a footy lunch.

Footy Colours Day

The F-2 students have been doing some fantastic 'hands-on' work while Mrs. Johnstone is away. Sculptures and 'stress-balls' have been made and had fun with.

YOUNG ACHIEVERS
OF THE WEEK

F-2 Class Corey for working very hard this week and being an excellent role model in the classroom. Fantastic effort, Corey!

3-6 Class Jessica for wonderful use of punctuation in her 'Little Me' narrative. Well done Jessica!

Respect Responsibility Excellence Persistence
