

Lismore Primary School Scoop

Our vision is to develop well rounded, confident and responsible individuals who aspire to achieve their full potential. We will do this by providing a welcoming, happy, safe and supportive learning environment in which everyone is equal and all achievements are celebrated.

Lismore Primary School would like to acknowledge the Wathaurong People, the Traditional Owners of the land on which we are gathered and pay our respects to their Elders-past and present and emerging.

FROM MY DESK

Thank you to everyone who attended the trivia night on Friday night. As it was last year, it was a terrific night that was brilliantly organised by our PFA. I hope you all enjoyed the night as much as the staff table (the winning table) did. The night raised a terrific amount of money for the school, and we are always grateful for everyone who contributes to the night. Obviously the night would never have gone ahead without the work of the PFA, and we also thank all of the sponsors who donated prizes and OCR FM who ran the night for us. I can certainly recommend them for anyone else looking to run a trivia night.

I hope everyone enjoys the next few sunny days and that some good weather helps to rid us of some of the illness floating around.

Congratulations to the following students who have been seen displaying our school values in the past week.

Respect: Chloe, Rory & Noah: For all genuinely checking in on another student who had been hit by a stray ball.

Responsibility: Jackson: For showing great leadership in class and the yard.

Persistence: Stella: For always persisting with her reading and choosing 'just right' books.

Excellence: Blake: For his effort in writing and being proud of his efforts in doing his work individually.

Have a great week 😊
Brad Whittaker

SUMMER SPORTS

Next Tuesday, we will host the WPPSA Summer Sports. Rokewood, Skipton and Derrinallum students will join us from 10am-2pm for the opportunity to play variety of summer sports. As with all WPPSA events this year, the summer sports will be for all students from F-6. There will be a BBQ available for purchase on the day, with sausages being \$3 and hamburgers \$4. Thanks again to the PFA for organising this.

FOUNDATION TRANSITION

We look forward to hosting our 2024 Foundation students for the first-time next Thursday. The students will join us for an hour in the morning to begin to familiarise themselves with school life. These students will join us for two further sessions prior to the state-wide transition day. We think that these additional sessions provide these young people with the best opportunity to feel confident and excited about starting school next year.

SCHOOL REVIEW

Tomorrow, Monday and next Wednesday I will be absent from school as I am part of a school review for another school. This will be a great professional development opportunity for myself and hopefully provide me with some thoughts and ideas for our school.

3-6 Limerick Poems

There was a bat who was
scared of a cat.
This cat hated the bat.
So, while the bat was sleeping
in bed.
The cat came and whacked his
head.
The bat then decided he hated
the cat.

By Tyler G

I got a new shiny tractor.
The model had a two for the 4th factor.
It had a lot of horsepower.
I went and had a shower.
I came out to my tractor to see a weird actor.

By Jackson

There was a dog called Ricky.
Who liked to be tricky.
He wanted to play,
but would not stay.
He was always very picky.

By Eden

There once was a frog called
Hog.
Who liked to jog.
He liked to run.
With his pet Bun.
But they got chased by a dog.

By Peyton

There was a boy named Harry
Potter.
The ministry called him Harry
Plotter.
He planned to defeat the Dark
Lord,
But not while riding on a board.
At Hogwarts the weather was
getting hotter.

LUNCH CLUB

Our Lunch clubs have been a hit
with students engaging in activi-
ties such as jewellery making
and lego construction.
Thanks to Pauline Graham for
running these clubs.

ONE LINERS!

F-2 Through 'Respectful Relationships' we are consolidating our 'getting along' behaviour and using positive language in all situations.

3-6 The 3-6 students have enthusiastically started on their new STEM projects which is 'carnival games'.

Respect Responsibility Excellence Persistence

F-2 ART Portraits With Ruled Lines

3-6 Haiku Poems

WINTER IS FUN FILLED,
WINTER IS A COLD SEASON,
YOU CAN THROW SNOWBALLS.

By Angus

Pretty pink flowers.
Start blooming in the spring time.
Baby ducks are born.

By Abigail

The green trees are tall.
And they are making people
happy.
They are in the park.

By Blake

Summer is sunny.
Sunshine fills the warm,
dry air.
Time for the cold pool.

By Ashlie

YOUNG ACHIEVERS OF THE WEEK

F-2 Class Noah for implementing reading strategies to be an independent reader and making great progress. Great job Noah!

3-6 Class Jackson for his fabulous attitude to learning, especially writing poems. Keep it up Jackson!

COMMUNITY NEWS

CAN ANYONE HELP!!

We are after any unwanted Christmas decorations you may have to help the students decorate the Christmas trees that are placed around Lismore.

Any tinsel, baubles, glitter...anything at all that is Christmassy!

If you can help, please bring the items to the school.

Thanks so much

HOT SHOTS COMING FEB 2024

CONTACT LEANNE 0400 030 432 OR SIMONE 0417 114 624

As part of the 3-6 STEM studies, I would appreciate if your child could please bring 1 or 2 small empty packages and a cardboard box of any size. Some examples are a juice container, egg carton, milo tin and sauce bottles. If these could be brought to school in the next week that would be wonderful.

Thank you.

Pauline Sanderson
