

Lismore Primary School Scoop

Our vision is to develop well rounded, confident and responsible individuals who aspire to achieve their full potential. We will do this by providing a welcoming, happy, safe and supportive learning environment in which everyone is equal and all achievements are celebrated.

Lismore Primary School would like to acknowledge the Wathaurong People, the Traditional Owners of the land on which we are gathered and pay our respects to their Elders-past and present and emerging.

FROM MY DESK

We had a wonderful day yesterday hosting the WPPSA Summer Sports. Approximately 170 students across the four schools joined us and took part in 8 different summer sports. The staff from all schools did a great job running the sports, ensuring the day ran perfectly. Thank you to the PFA members who organised and cooked the BBQ lunch – it was very popular!

We have a very busy few weeks coming up. I also have a busy few weeks of my own responsibilities, and there will be times where I am away from school. While I don't enjoy being away from school, I am grateful that we have such great staff and students that it's just business as usual.

Congratulations to the following students who have been recognised for displaying our school values in the past week.

Respect: Ivy: For always offering to help and showing kindness to each of her peers.

Responsibility: The students who catch the morning bus: For their help as soon as they arrived in setting up for the summer sports.

Persistence: Chloe: For the persistence she showed on our sports day yesterday in trying her best.

Excellence: Tyler G. for demonstrating positive choices at our Summer Sports Day. You represented our school well.

Have a great week
Brad Whittaker

FUNDING UPDATE

In the early part of Term 4, we conducted interviews with prospective architects who had applied for the tender to plan our Government funded upgrades. I am pleased to say we have a successful candidate who has accepted the position. The next step will be the development of the master plan – essentially the design phase. There will be opportunities for involvement from the members of our school community to contribute thoughts and suggestions. I will be sure to keep you updated when this comes to hand.

CAMP

On Monday, our Grade 3-6 class will head to Melbourne for their camp. Mrs Sanderson and Pauline will be joining the students for the duration of the camp, and I am excited to be heading down for a day trip on Monday. The camp includes awesome activities such as the Melbourne Zoo, MCG tour, Bounce, ACMI, Hosier Lane, Imax and the Melbourne Museum, to name a few.

FOUNDATION TRANSITION

On Thursday, we will be welcoming our 2024 Foundation students for the first time. The students will join us for 1 hour to begin to familiarise themselves with school life. This time will increase over the following two transition sessions, before they join us for a full day on the state-wide transition day. We are proud of our transition program and its effectiveness in helping our new students feel calm and confident about their transition to school life.

SUMMER SPORTS

ONE LINERS!

F-6 What a terrific day we had at the Summer Sports!
It was great to see our friends from the other schools and all our family and friends who came along.

Respect Responsibility Excellence Persistence

In Art this week with Mrs K.C, the 3-6 students did some brilliant 'water-colours with salt' and 'line and design' water-colour paintings. So amazing to see these budding artists work come to life.

YOUNG ACHIEVERS OF THE WEEK

F-2 Class Bailey for identifying and making halves and quarters of shapes and small groups. Great job Bailey!

3-6 Class Ivy for always approaching and completing learning tasks in such a positive way. Well done Ivy!

Respect Responsibility Excellence Persistence

School Dates to Remember

Thursday 26th October	Foundation 2024 Transition 9.15-10.15am
30th October—1st November	3-6 School Camp
Thursday 2nd November	Camp recovery day for 3-6 students
