

Lismore Primary School Scoop

Our vision is to develop well rounded, confident and responsible individuals who aspire to achieve their full potential. We will do this by providing a welcoming, happy, safe and supportive learning environment in which everyone is equal and all achievements are celebrated.

Lismore Primary School would like to acknowledge the Wathaurong People, the Traditional Owners of the land on which we are gathered and pay our respects to their Elders-past and present and emerging.

FROM MY DESK

We had a wonderful start to this week as our Grade 3-6 students headed off to camp. I joined them for the day on Monday which was a great day at the Melbourne Zoo. I was a bit sad to miss out on a Grill'd burger for dinner and Bounce afterwards I must admit. I spoke to Mrs Sanderson this morning and the students all had a great night's sleep on night two (as is always the case on camp) and were excited for their day at IMAX and the Melbourne Museum before returning home this afternoon. A reminder that these students are not required at school tomorrow to give them a well-earned chance to recover from a huge few days.

Congratulations to the following students who have been seen displaying our school values in the past week.

Respect: Tyler D: For his support of other students on camp. Tyler has shown great maturity and leadership.

Responsibility: Tyler G & Jessica: For stepping up and leading assembly last week and showing great confidence when doing so.

Persistence: Cooper: For persisting to achieve with his sounds and pronunciation knowledge.

Excellence: Our Foundation students: For their great work in creating fraction posters which have been displayed on the 'wow wall'.

Have a great week
Brad Whittaker

FOUNDATION TRANSITION

We loved welcoming our 2024 Foundation students for the first official transition day last Thursday. They both enjoyed experiencing school life and we have been assured by their parents that they are excited to return next Thursday.

PLANNING MEETING

This afternoon I will have the first scheduled design meeting with our architect for our school modernisation and upgrades. This is the beginning of the master planning process, which is essentially the part where we design the upgrades to the school. Please keep an ear and an eye out for opportunities for your contribution to this process. It is vital this there is input from the whole community as this is everyone's school and we want everyone to feel ownership and excitement over this process.

PRINCIPAL CONFERENCE

Tomorrow and Friday I will be in Geelong for the annual GSWC Network principal conference. This is a great opportunity for the principals in our network to get together, learn, and look at our network data, celebrate achievements and workshop what can be done to improve areas of concern. Mrs Johnstone will have the 3-6 class on their return to school on Friday.

LIFE ED VAN

Next Wednesday, the Life Ed Van will be joining us. Thank you to everyone who has returned permission notes and payment. I remember seeing Harold the giraffe back when I was in primary school, which probably says more about Harold's age than mine.

Respect Responsibility Excellence Persistence

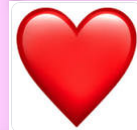

The past week in the F-2 room has been a very busy one!

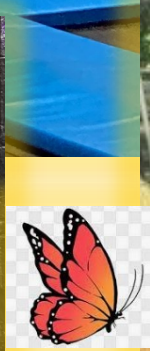

Last Thursday, we welcomed our new prep students for 2024, Dustyn and Kit. They had a great time in their new classroom for next year.

Last Wednesday we did some amazing watercolour paintings with Mrs. K.C for art and this week we have continued with our Inquiry on the human body. Students made edible models of our heart and how it works.

It has been very quiet with the 3-6 class on camp this week but we have all enjoyed being the 'big' students at school.
