## FROM MY DESK

The students have almost made it through the end of year assessment period. We have been super pleased with their efforts, with everyone giving their personal best, and have seen some excellent growth as a result. Today students will complete their Cold Write, which is the last whole group assessment to be completed. We have been focussing on writing in our inquiry cycles this semester, so we're excited to hopefully see further evidence of the impact of these through the Cold Writes.

Congratulations and thank you to our school captains Tyler D and Tyler G who represented our school wonderfully at the Remembrance Day service in Lismore on Saturday. The boys read a poem and then raised the flag and laid a wreath. Both boys were proud of having this opportunity and have received compliments for their efforts.

Congratulations to the following students who have been seen displaying our school values in the past week.

**Respect:** Tyler G & Tyler D: For the way they represented our school at the Remembrance Day service on Saturday.

**Responsibility:** Jackson & Angus: For preparing the long jump pit for our athletics sports during their own recess and lunch times.

**Persistence:** Breeanna & Ivy: For their persistence in writing when faced with challenges last week.

**Excellence:** Noah: For his work in writing. Noah has been writing full sentences and making great attempts at spelling challenging words.

Have a great week 😊

## ANNOUNCEMENT

On Friday last week I sent home a note informing our families that I have accepted a position as Acting Principal at Magpie PS in Ballarat for 2024 and Term 1 2025. As I said in the note, I am sad to be leaving such a wonderfully inclusive and positive school community that has welcomed me and provided me with such wonderful memories. I look forward to the celebrations and events we have between now and the end of the year – beginning tomorrow. There is currently a job advertised for my replacement. If you or someone you know may be interested in leading this wonderful school, please feel free to contact me for further details.

## ATHLETICS

Tomorrow we will be hosting our annual house athletics on the oval at school. Events will take place from 10am and should wrap up by 1pm. Students are encouraged to wear their house colours to school tomorrow. We warmly invite family members and friends to join us for the day.

## REPORT WRITING DAY

Next Tuesday – the 21<sup>st</sup> – we will have Report Writing Day, meaning that students will not attend school on that day. We have decided to have the teacher's one professional practice day for the semester simultaneously and use it for the purpose of writing student reports. Thanks for your understanding and we hope you get some nice weather for your day off.

## FOCUS GROUP MEETING

We are excited to have the architects from Reduct Architecture joining us today to meet with our JSC to gather their thoughts for our school upgrades master plan. I'm sure there will be lots of insightful ideas provided by the students.

## REMEMBRANCE DAY

Our School Captains Tyler Daffy and Tyler Grundmann represented Lismore Primary School at the Remembrance Day ceremony held at the Lismore cenotaph. They recited a poem and laid a wreath that was made by themselves with the help of Pauline Graham.

**LEST WE FORGET**

Oh! you who sleep in Flanders Fields,  
Sleep sweet - to rise anew!  
We caught the torch you threw  
And holding high, we keep the Faith  
With All who died.

We cherish, too, the poppy red  
That grows on fields where valour led;  
It seems to signal to the skies  
That blood of heroes never dies,  
But lends a lustre to the red  
Of the flower that blooms above the dead  
In Flanders Fields.

And now the Torch and Poppy Red  
We wear in honour of our dead.  
Fear not that ye have died for naught;  
We'll teach the lesson that ye wrought  
In Flanders Fields.

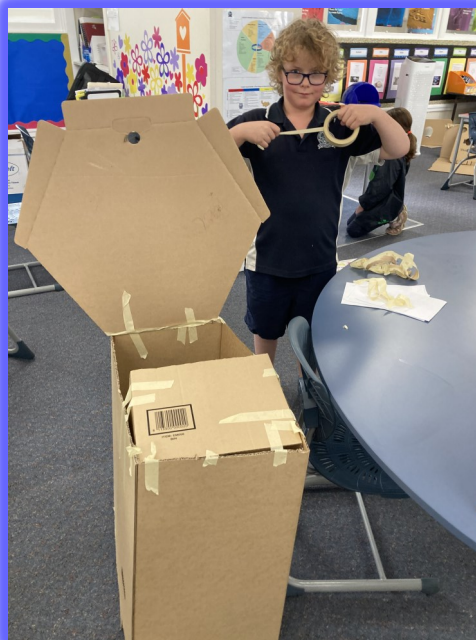

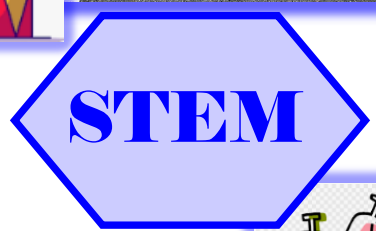

**ONE LINERS!**

**F-2** Our Best Always! We have been proudly showing how far we have come with our learning this year through assessments.

**3-6** The 3-6 students are enjoying their STEM challenge of creating a carnival game.

*Respect Responsibility Excellence Persistence*

**SCIENCE, TECHNOLOGY, ENGINEERING AND MATHS.**  
In STEM, the 3-6 students created carnival games out of recycled materials. Some very creative constructions were made.

**YOUNG ACHIEVERS  
OF THE WEEK**

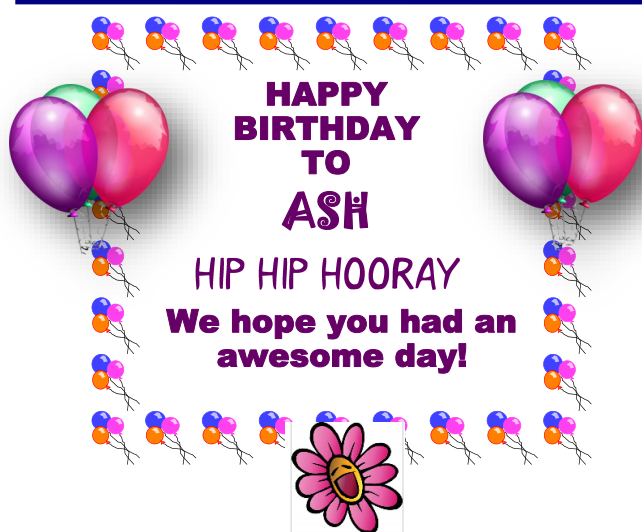

**F-2 Class** Ava for a fantastic result in all her reading assessments. Great work!

**3-6 Class** Abigail for doing her personal best in all assessments during assessment week. Well done!
