

Lismore Primary School Scoop

Our vision is to develop well rounded, confident and responsible individuals who aspire to achieve their full potential. We will do this by providing a welcoming, happy, safe and supportive learning environment in which everyone is equal and all achievements are celebrated.

Lismore Primary School would like to acknowledge the Wathaurong People, the Traditional Owners of the land on which we are gathered and pay our respects to their Elders-past and present and emerging.

FROM MY DESK

I hope you all enjoyed your day together yesterday. Teacher's had productive days writing reports and our ES staff were busy with a list of things to do to support classrooms. Report writing time is a stressful period for staff, but one that we know is very valuable for students and their families in better understanding their academic strengths. Reports will be sent home on the last Thursday of the school year.

Tomorrow we again welcome our 2024 Foundation students for their third transition session. They will be with us from 9.15-1.30, with the aim of helping them prepare for their first full day on the Statewide Transition Day on December the 12th. I have also heard there may be an influx of teddy bears coming to school tomorrow...

THANK YOU

I have decided this week to put a huge thank you here in place of the values award. This thank you goes out to Tania, Tracey and their family members who spent Sunday ripping out the plants in the front garden bed. This was a massive job that desperately needed doing, and we are so grateful to have people in our community willing to go above and beyond to support the school. We will be replanting in the garden bed in the coming weeks.

Have a great week 😊
Brad Whittaker

PARENT PAYMENT POLICY

Attached to our families copies of this newsletter is the Parent Payment Policy. This policy is the same as the policy that was sent home last year. This meaning that all curriculum contributions are voluntary, with payments for extra-curricular items such as excursions and camps to be announced as they are organised. As you know, we supply all learning materials for students and purchase all digital subscriptions, so we appreciate any contribution to our school to help us cover the cost of these supplies for students to use in the classroom.

2024 SPECIALISTS

With Anzai Sensei's news that she would be taking up a position in NSW for 2024, it has left us with a few decisions to make about our specialist program. Whilst we haven't yet finalised all of the details, one decision that has been made is that for 2024 we will be offering Auslan as our LOTE program. Mrs Munson will use some of her MARC Van time to teach the students the fundamentals of Auslan. We see this as a very practical and important LOTE opportunity to offer our students in building towards an ever inclusive society.

2024 STAFFING

By next week's newsletter, I hope to be able to confirm our teaching staffing arrangements to our community. The final pieces of the puzzle should be put in place before next Wednesday. The announcement for my replacement will take a little longer than this, but we should nonetheless be able to confirm the 2024 teaching staff by next week.

SCHOOL ATHLETICS

We had a fantastic day last Thursday at our school athletics. Students took part in a number of field events before we finished the day with our running races and relays. Their individual efforts in each event were outstanding, and their support of each other was amazing to hear. Thanks to the families who were able to join us to build the atmosphere for the students. Please see later in the newsletter for photos.
