## FROM MY DESK

This time next week our students will be finished their school year. The year has truly flown, even the students have been mentioning how quickly they feel like the year has gone. We have some wonderful celebrations between now and then, ones that I am truly looking forward to. These celebrations will give me time to spend with students and families to say thank you for everything they have done for me during my last 2.5 years at Lismore PS.

As this is the last newsletter for the year, I wanted to take the opportunity to thank our school community and the wider Lismore community for welcoming me and being so supportive of our school during my tenure. Every single person I have worked with has honestly been amazing to work with, and I appreciate how lucky I have been to have this be the case. Our school has grown in many, many ways over this time, and I am proud of the direction we are heading. I'm looking forward to hearing about the continued successes of our students!

Rather than acknowledging individual students in my piece today, I would like to congratulate them all for their continued display of our school values. The students have been just incredible to work with and have taught me as much as I hope to have taught them. You're all stars and I know you'll be amazing things!

Have a great holidays 😊

## AWARDS NIGHT & DINNER

A final reminder that tonight is our annual awards night and Christmas dinner. This gives us a formal opportunity to acknowledge individual students achievements across the school year, as well as providing a chance for our community to gather and celebrate the year. We invite extended family and friends to join us to make the night extra special. The students have been preparing their performance for everyone, and with any luck Santa might be able to spare us some of his time to visit!

## THANK YOU!

The presentation of awards is made possible by some very generous donors who support this event annually. We would like to thank the following for their sponsorship of these awards.

Steve and Gail Baldock of the Lismore Newsagency  
Michael Rowe  
Elliot Pyke

## RECIPE BOOKS

The PFA have done an awesome job of developing a LPS recipe book. These books are now finished and ready for purchase. The books can be purchased from our school directly or from the Blue Yabby. They are only \$10 each. Thanks to everyone who made this possible!

## GRASS PLANTING

Last Thursday we planted native grasses in the garden bed in front of the school building. We had Sarah from the Lismore Land Protection Group visit to teach the students about the grasses they were planting and help with the planting process. We're excited to see how these grow and how great they will make the front of our school look.

## JAPANESE PRESENTATIONS

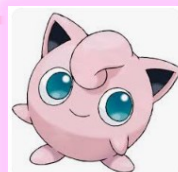

Please see below for information about the Japanese presentations this Friday afternoon. The students have put in a power of work across the year with Mrs Anzai and would love to see as many family members as possible there to celebrate.
