

Lismore Primary School Scoop

Our vision is to develop well rounded, confident and responsible individuals who aspire to achieve their full potential. We will do this by providing a welcoming, happy, safe and supportive learning environment in which everyone is equal and all achievements are celebrated.

Lismore Primary School would like to acknowledge the Wathaurong People, the Traditional Owners of the land on which we are gathered and pay our respects to their Elders-past and present and emerging.

FROM MY DESK

Wow it's already week 4, and we are halfway through Term 1. Well done to all students on their efforts so far!

Thank you to all parents who have either nominated or applied to be on the school council, it'll be great to see some new faces.

Well done to all students on their efforts in their first swimming and gymnastic session. All students were amazing at supporting one another in and outside of the pool and gymnastic mats.

Next Thursday instead of assembly, we will be opening up our classrooms for all families to come in and see what we have been learning this term. Students will showcase their learning and there will be some STEM activities for everyone to participate in. If you are free and would like to join us, doors will be open from 3pm.

At the start of this term we asked families to check their information and send back the forms, regardless of if there were changes or not. If you haven't yet done that can you please remember to send them in by the end of this week.

Friday 15th of March, we will be holding our school swimming sports day, please make sure to mark it in your calendars and if you can come on down to Lismore Swimming Pool to support our students as they participate in a variety of swimming activities.

Respect Responsibility Excellence Persistence

Students in the Grade 3-6 classroom have completed all the literacy and numeracy assessments that are required at the beginning of the new school year. Well done, everyone!

As we reach the middle of term one, we have started exploring Place Value in Maths, Narrative stories in Writing and Independent Reading activities. Our reading program will begin as soon as swimming is finished. Students have enjoyed participating in weekly STEM activities as well as learning about our Indigenous People as part of our Inquiry Unit. Our Learning Intention for this unit of work is:

We are learning to identify Aboriginal and Torres Strait Islander peoples as the original inhabitants of Australia.

Indigenous languages, dreaming stories and totems have been topics explored so far.

If you have any concerns or questions, please contact me via email or in your student's diary.

Remember my door is always open and you are very welcome to pop in and see your child/children's work.

Cheers Judi Parkhouse

Building a Popsicle Catapult STEM activity - We are learning to understand the force/energy relationship of a catapult.

BULB FUNDRAISER

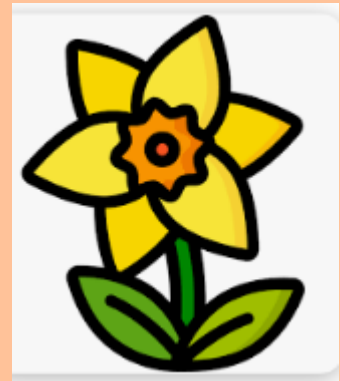

The PFA are excited to be running the bulb drive as a fundraiser again this year.

A catalogue is attached to this newsletter with the website to order from on the green sticker.

Orders can be made from now until the 11/4/2024 and orders are shipped directly to you.

This is a fantastic opportunity to raise money for our school with 40% of total sales coming back to the school.

So let's share the catalogue with as many people as we can and make this a successful fundraiser.

ONE LINERS!

F-2 The F-2 students have settled into Sounds-Write routines and are approaching the lessons with enthusiasm.

3-6 The 3-6 students have really enjoyed learning about our Indigenous People as part of our Inquiry Unit.

Respect Responsibility Excellence Persistence

We have started our swimming and gymnastics program again this week . The students enjoy this 3 week program immensely . It is held at the Ballarat Aquatic Centre for 2 days a week and has great results in teaching our students water safety and learning how to swim.

YOUNG ACHIEVERS OF THE WEEK

F-2 Class Dustyn for showing fantastic engagement and willingness to learn during Sounds-Write. He follows instructions and has been trying his best to learn new sounds. Keep it up!

3-6 Class Blake for demonstrating independence and enthusiasm when completing his narrative writing task. Very pleasing to see such a positive mindset and attitude towards writing. Well done Blake!

Respect Responsibility Excellence Persistence
