

Lismore Primary School Scoop

Our vision is to develop well rounded, confident and responsible individuals who aspire to achieve their full potential. We will do this by providing a welcoming, happy, safe and supportive learning environment in which everyone is equal and all achievements are celebrated.

Lismore Primary School would like to acknowledge the Wathaurong People, the Traditional Owners of the land on which we are gathered and pay our respects to their Elders-past and present and emerging.

FROM MY DESK

With the extreme weather conditions we are meant to have this week, the swimming and gymnastics program for Wednesday 28th February has been postponed. We will update families with a new date as soon as it has been confirmed by Ballarat Aquatic Centre..

This Thursday the 29th of February at 3pm, we will be having an open classroom afternoon instead of assembly. All families and friends are welcome, you can see what your child/ren have been learning this term and have the opportunity to participate in some STEM activities alongside your child/ren.

Next assembly, we will be presenting our leaders with their badges. If you can join us it will be on Thursday 7th of March in the Wellbeing Centre at 3:15pm.

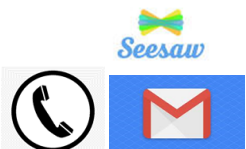

Every second Thursday the school gets together for Buddies. Our focus this term is getting to know each other and learning to work as a team. We are doing this through various trust activities and games. It has been wonderful to see our older students supporting the younger students in these activities and games. Students have really enjoyed these activities and learnt how to communicate and work together to have success in what they do.

**LISMORE
COMMUNITY
GARDEN**

Unfortunately, due to some vandalism we have had to lock the Community Garden. I am in the process of working with Corangamite Shire to see how we can ensure this stops.
Sorry for any inconvenience this may cause the community.

Respect Responsibility Excellence Persistence

F-2 NEWS

Students in the F-2 classroom have made some musical shakers out of paper cups and beads and buttons for their STEM class. Some very interesting music has been produced.

ONE LINERS!

F-2 The F-2 students have enjoyed the designing and building process in STEM. They made some fabulous musical instruments that we will be using in music!

3-6 The 3-6 students have enjoyed writing persuasive texts this week. I am "convinced" some of the students would make excellent sales people!

Respect Responsibility Excellence Persistence

3-6 NEWS

Students in the Grade 3-6 classroom have been exploring persuasive writing. Our learning intention for this writing genre is:

We are learning how to write a persuasive text that has an introduction, opening statement and arguments and a closing statement.

Students have brainstormed, planned, searched for evidence, and used emotive language to convince an audience about their chosen topic. Well done, everyone!

Our weekly numeracy focus is: *identifying and describing properties of prime, composite, square and triangular numbers.*

With our swimming program taking us out of the classroom 2 days a week, students will be completing an exciting STEM activity Thursday afternoon. We look forward to seeing you there to participate in this activity with your child/children if possible.

If you have any concerns or questions, please contact me via email or in your student's diary. Remember my door is always open and you are very welcome to pop in and see your child/children's work.

Cheers Judi Parkhouse

Yay!

YOUNG ACHIEVERS OF THE WEEK

F-2 Class Cooper for being such a great role model in our classroom and always completing his work to a good standard. Fantastic effort Cooper!

3-6 Class Corey for always trying his personal best across all learning areas and for sharing his wonderful sense of humour with us all. Keep making us smile Corey!

Respect Responsibility Excellence Persistence

LISMORE PRIMARY P.F.A FOOTY TIPPING

Yes it's back again!!

\$10 per entry.

Entry forms can be obtained from the school office or emailed to you.

Winner receives \$100 cash.

Give it a go!!

BULB FUNDRAISER

The PFA are excited to be running the bulb drive as a fundraiser again this year.

A catalogue is attached to this newsletter with the website to order from on the green sticker.

Orders can be made from now until the 11/4/2024 and orders are shipped directly to you.

This is a fantastic opportunity to raise money for our school with 40% of total sales coming back to the school.

So let's share the catalogue with as many people as we can and make this a successful fundraiser.
