

Lismore Primary School Scoop

Our vision is to develop well rounded, confident and responsible individuals who aspire to achieve their full potential. We will do this by providing a welcoming, happy, safe and supportive learning environment in which everyone is equal and all achievements are celebrated.

Lismore Primary School would like to acknowledge the Wathaurong People, the Traditional Owners of the land on which we are gathered and pay our respects to their Elders-past and present and emerging.

FROM MY DESK

The term is just flying by!

As the days and nights are getting colder please remember if your child/ren have any cold and flu symptoms to keep them at home, we want to try and keep everyone as healthy and happy as possible, especially as the term comes to an end.

**Super
Thank
You!**

This week I wanted to highlight the work of our Parents and Friends group. Without this committed group of parents, we wouldn't be able to purchase things such as the school laptops and some of the IT equipment that we have. Through the purchase of these items, we are ensuring our students have the latest technology and are giving the teachers an opportunity to set them up for learning now and beyond. Our fabulous group of parents have spent weekends and many hours after school to ensure that we have events such as the trivia night, bulb drive and Bunnings BBQ. If you can support the group in any way, please reach out.

School Captain Report

This week I'm going to interview another student and talk about Junior School Council (JSC) and a fundraiser we are running this term. But first I would like to tell you about P.E, in P.E Angus and I have been teaching the students important footy skills like handballing, kicking and bouncing. Everyone did an awesome job. Next week we will be doing some marking which if you don't know is catching.

Next is JSC. On June the 20th we will be having a free dress and JSC will be cooking some food to buy for lunch. We will be offering hot dogs, chicken nuggets, chips and milkshakes. All money raised will be going towards our end of year celebration. The group would like to go to Adventure Park.

Now I'm going to interview Noah.

I'm Noah and I like maths because we get to play boardgames outside. I like to play footy. I enjoyed going to Sovereign Hill and planting plants. I have had the most fun with Sounds Write and I like to learn new words and sounds.

JUNIOR

That's all I have for this week.

F-2 NEWS

We have had a busy few weeks in the F-2 classroom with engaging in assess-

ments, learning about Reconciliation Week and Art. The F-2 students also thoroughly enjoyed visiting the students at the Western Plains Kindergarten a few weeks ago. The students had a snack, played and listened to a story that was read by Naomi Moyle. Our students really enjoyed meeting and engaging with our new 2025 Foundation students. We look forward to inviting the Western Plains Kindergarten students to our school for a play later this term.

The weather is starting to get cold so we encourage students to wear warm clothing to school. Please ensure that your child's jumpers or coats be named. We are noticing that jumpers are being left around the school and they don't have names on them. This makes it very challenging to return these items to their owners. As the grounds become wet and muddy, we will be encouraging the students to take off their shoes and leave them at the entry way to our classroom. Students can bring along slippers to school if they wish.

3-6 NEWS

Welcome to Week 8
Everyone,

I hope you are all staying warm and feeling well. As I am sure your children would have told you I was off sick last week, thank you to Ms. Aquilina and Pauline and the students for all stepping up and helping in the classroom.

We have been very productive since the last newsletter, participating in National Storytime and Reconciliation Week activities and still managing to achieve all our classroom work too! Our Inquiry Focus has shifted from Colonisation and Australian Convicts to the Gold Rush and Bushrangers era. This links in with our Writing Genre, Historical Recounts - *We are learning to identify and explore the structure and features of historical recounts*. Students will be given a choice to focus on either the Gold Rush or Bushrangers for their recount. Our numeracy focus is measurement and Geometry -, *We are learning to choose appropriate units of measurement for mass, volume and capacity*. Students are enjoying this topic as it involves lots of hands-on learning!

If you have any concerns or questions, please contact me via email or in your student's diary. Remember my door is always open and you are very welcome to pop in and see your child/children's work.

Cheers Judi Parkhouse

YOUNG

ACHIEVERS

F-2 Class Cooper for his fantastic information report on Tigers.
Well done Cooper!

3-6 Class Breeanna for a great work ethic in the classroom.
Well done Breeanna!
