

Lismore Primary School Scoop

Our vision is to develop well rounded, confident and responsible individuals who aspire to achieve their full potential. We will do this by providing a welcoming, happy, safe and supportive learning environment in which everyone is equal and all achievements are celebrated.

Lismore Primary School would like to acknowledge the Wathaurong People, the Traditional Owners of the land on which we are gathered and pay our respects to their Elders-past and present and emerging.

FROM MY DESK

Dear Families,

I'd like to take this opportunity to again say thank you to you all for the support you have shown me over the past 8 months. Though I'm excited for my next big adventure, I am really sad to say goodbye to the wonderful staff and students here at Lismore. Please take care and look after each other!

This term we see Pauline Sanderson taking 4 weeks of long service leave. She will start her leave on the 26th of August and be back next term. We have been able to cover her with two teachers. Simone Gellie Monday and Wednesday) and Lisa Serong (Tuesday) for the 3 days she has our junior class. We wish her well on her adventures during her leave.

We have a number of excursions still to come this term, please ensure you are signing and returning permission slips as soon as you can. This helps with the booking of buses and catering of food if required.

Thank you again for being an amazing community.

Take Care
Tegan Aquilina

School Captain Report

Hello everyone, today I will tell you about this week.

Well to start it is Science Week so we'll be having some science activities in class.

As you know last Thursday we had Winter Sports and everyone had a great time and tried their hardest!

Now I'm going to interview Rory.

Hi I'm Rory. My favourite thing this year was making wombat stew. This year I'm looking forward to going to Sovereign Hill. My best subject is inquiry, in inquiry I like it when we watch stories on the tv. At playtime I like to kick the footy and play basketball.

Next week's assembly is on Friday and don't forget next week is also book week so don't forget to get those costumes ready and bring back forms for Sovereign Hill.

That's all I have for this week.

Jacko

F-2 NEWS

Welcome to Week 5.

CURRICULUM

In Writing students have been working on writing procedures. Our Reading focus is making inferences. If you are making inferences while reading, you are making a guess about what you don't know based on the information available – basically, you are reading between the lines. Often, you use your prior knowledge to help draw conclusions and make judgements.

For Inquiry we have been working on the Paris Olympics and will shortly be learning about the Paralympics.

SEESAW

Just a reminder, Seesaw is a great way to connect with your child's teachers. If you are having difficulties in connecting, please feel free to pop into school for some assistance.

REMINDERS

Next week is Book Week and we have our excursion to Sovereign Hill on Wednesday and our Dress Up parade is on the Friday. Assembly will also be on this Friday.

Remember if you have any concerns, please contact one of us to have a chat. Our door is always open.

Regards,
Pauline and Narelle

ONE LINERS!

F-2 Wow what a busy time it has been lately with Christmas in July and the Potato Olympics! The F-2 students have absolutely loved it!

3-6 The 3-6 students enjoyed participating in the Winter Sports at Derrinallum last Thursday!

Respect Responsibility Excellence Persistence

Welcome to Week 5!

What a very busy two weeks it has been! We've had Christmas in July celebrations, Potato Olympics, and Winter sports at Derrinallum, and we're not even halfway through the term. Despite having many students away due to illnesses, we've managed to complete many work tasks.

In our Writing and Inquiry studies, students are finishing their African country travel brochures. They have been researching many interesting facts and learning new information about their chosen country. In STEM, our focus has been on the Olympic Games. Students have been keeping an Olympic Games journal daily and tallying up medals won. In numeracy, students completed their multiplication post-test. I was very pleased with the growth made, given that so many students were away during this topic. We have now moved into division, and I am so proud of the way students are connecting the relationship between multiplication and division.

Last week, Jackson returned to our classroom after spending 9 days at Somers Camp. He presented a slideshow to the class, showcasing what he had been up to. All students were engaged and asked many questions about the camp. We all enjoyed his presentation.

Thank you, Jackson.

Finally, we want to wish Ms. Aquilina all the best at her new school. We thank her for all the hard work and support she has given us in our classroom.

If you have any concerns or questions, please get in touch with me via email or in your student's diary. Remember my door is always open, and you are welcome to see your child/children's work.

Cheers,

Judi Parkhouse

3-6 NEWS

Writing	Informative writing – research information to publish a travel brochure. Daily Journal writing – personal writing
Reading	Comprehension Focus: Monitoring and Clarifying Guided Reading, Reading Rotations

School Dates to Remember

Monday 12th August	National Science Week
Tuesday 20th August	3-6 Leadership day @ Glenormiston
Wednesday 21st August	Sovereign Hill excursion
Friday 23rd August	Book Week Dress-Up Parade @ 3pm/ School Assembly
Monday 2nd September	Pupil Free Day— NO SCHOOL
Friday 13th September	Sports day at Linton Primary School
Thursday 19th September	School Council meeting
Friday 20th September	Last day of term—2.30pm dismissal
Monday 7th October	First day of Term 4

**Last week, I got back from Somers School Camp, which was nine days. We had to do lots of different activities, some of the activities were boating, archery, challenge swing, flying fox and bush craft. My favourite activity was Challenge Swing. I went all the way to the top, it was really fun. I had a great time!
